

ÉCOLE ST. ANGELA MERICI

THE BOARD OF EDUCATION OF THE REGINA ROMAN CATHOLIC SEPARATE SCHOOL DIVISION NO. 81

M Daniel Lizée
Principal

Ms. Jennifer Stewart-Mitchell
Vice Principal

Dear Potential Sponsor,

The current Kindergarten and Grade 1 play structure at École St. Angela Merici is due for a major upgrade and replacement. School outdoor play equipment is not included in the current government funding model. The financial requirements to maintain and update the play environments at the school level falls all on school and community fundraising. The anticipated budget to complete this project is \$150,000. This amount includes new playground equipment and surrounding landscape improvements.

The students require a quality play structure for their general physical health, mental well-being and socialization needs with friends and staff. The play structure also supports a need for the community as the school is in a highly populated family residential location. The need for school and community to come together and play is essential for a thriving community.

We are asking our community neighbours and partners for financial support to assist us in providing this opportunity for our students as soon as possible. Along with this letter will be a sponsorship form outlining some of the sponsorship levels that are available. If you or your company are able to support the students at École St. Angela Merici financially, or in any other means, we would be very appreciative. We are willing to work with you or your company in any specific requests that you may have.

Thank you very much for your consideration to support our school. If you have any questions, please feel free to give me a call at 306-791-7305.

Partners in Education,

Daniel Lizée

Dear Potential Sponsor,

On behalf of the Catholic School Community Council (CSCC) at St. Angela Merici School, we are excited to share a meaningful project that will enhance the lives of children and families in our community. We are currently raising funds to build a new playground that will benefit our elementary school students during the school year and remain accessible to the community year-round.

The new playground will provide children with a space to grow physically, socially, and emotionally through active play. It will also create a safe and welcoming environment where families and community members can gather and enjoy quality time together.

As a valued local business, we invite you to consider sponsoring this important initiative. Our goal is to raise \$150,000, and your financial support will be instrumental in helping us achieve this milestone. By contributing, you will not only enhance the school's recreational facilities but also demonstrate your commitment to the well-being of children and families in our community.

Here are some ways your business can support this project:

1. Sponsorship and Monetary Donations

We welcome contributions of any size—every donation makes a meaningful impact. To express our gratitude, we offer a range of sponsorship levels with corresponding recognition opportunities. Sponsors will be prominently acknowledged on playground signage, event materials, and promotional efforts. Additionally, your company will receive recognition in our school newsletters, on social media platforms, and through various outreach initiatives, ensuring your generosity is seen by a wide audience.

2. In-Kind Donations

If your business can contribute materials or services, these will be immensely valuable to the project. The CSCC also hosts an **Annual Online Auction**, where in-kind donations are sold to raise funds for the playground. Examples of in-kind donations include services, merchandise, handcrafted items, gift cards, or vouchers. If you're interested in supporting the St. Angela Merici Online Auction, please contact us at stangelaauction@gmail.com.

3. Unique Donation Initiatives

We welcome creative ways your business might contribute to the success of this project. We would be delighted to meet with you to explore partnership opportunities and discuss how we can collaborate.

We would be grateful for the chance to discuss this initiative further and answer any questions you may have. If you're interested in supporting this project or would like additional information, please don't hesitate to contact us at stangelaplayground@gmail.com.

Thank you for considering this opportunity to make a lasting, positive impact on our school and community. Your contribution will help us create a safe, engaging, and inclusive space for children and families to enjoy for years to come.

Sincerely,

Bryan Dubord
